

# PERIWATCH **REPORT**

For [gerald@supertype.ai](mailto:gerald@supertype.ai)

# Goliath Obe Tabuni

🔒 High Priority

## Key Information

### AFFILIATION

Free Papua Movement (OPM),  
TPNPB

### ROLE

Supreme Commander,  
TPNPB General Staff

### THREAT LEVEL

Severe  
(Armed Conflict)

### PRIMARY AREA OF OPERATION

- Puncak Jaya Regency,  
Central Papua

## Profile Summary

A senior OPM/TPNPB commander with significant operational history and influence in the central highlands of Papua. Considered a high-priority target due to his direct command over armed militants and involvement in regional conflict.

## What Periwatich Knows

Summary provided by Periwatich Turbo-1 Model

Leadership	Recognized as a senior and highly influential commander within the OPM/TPNPB structure.
Operational History	Linked to numerous armed attacks against Indonesian security forces and civilian infrastructure dating back over a decade.
Network Connections	Commands a significant number of armed fighters and maintains strong influence over local communities in the central highlands.
Past Year Activity	Allegedly directed operations in Intan Jaya and Puncak, demonstrating continued operational capability.
Documentation	Periwatich Pedas has Has 4 documents related to this person.

## Intelligence Notes

Goliath Tabuni remains one of the most significant figures in the Papuan armed resistance. His strategic command and deep-rooted influence in the highlands make him a primary subject of interest. Intelligence suggests his faction is well-supplied and capable of sustained guerrilla warfare.

# Rueb Vincent

👁 Monitored

## Key Information

NATIONALITY  
**American**

KNOWN ALIASES  
**Medusa, RV\_Cyber, Vinnie**

EXPERTISE  
**Cybercrime, Information Warfare**

### PRIMARY AREA OF OPERATION

● Physical **Bali, Indonesia**  
● Cyber **Global**

## Profile Summary

An American national and former cyber-criminal, now a key figure in online information warfare supporting Papuan separatist movements. While non-violent, his ability to manipulate social media and connect with international entities makes him a significant person of interest.

## What Periwatch Knows

*Summary provided by Periwatch Turbo-1 Model*

### Network and Influence

He is connected to a variety of individuals and organizations, which indicates he has broad influence in his fields

### Cybercrime

He is the former leader of the Medusa Network, a group known for conducting DDoS and ransomware attacks on political and financial institutions.

### Social Media Presence

Operates multiple accounts on Twitter/X and encrypted Telegram channels to promote pro-separatist narratives.

### Past Year Activity

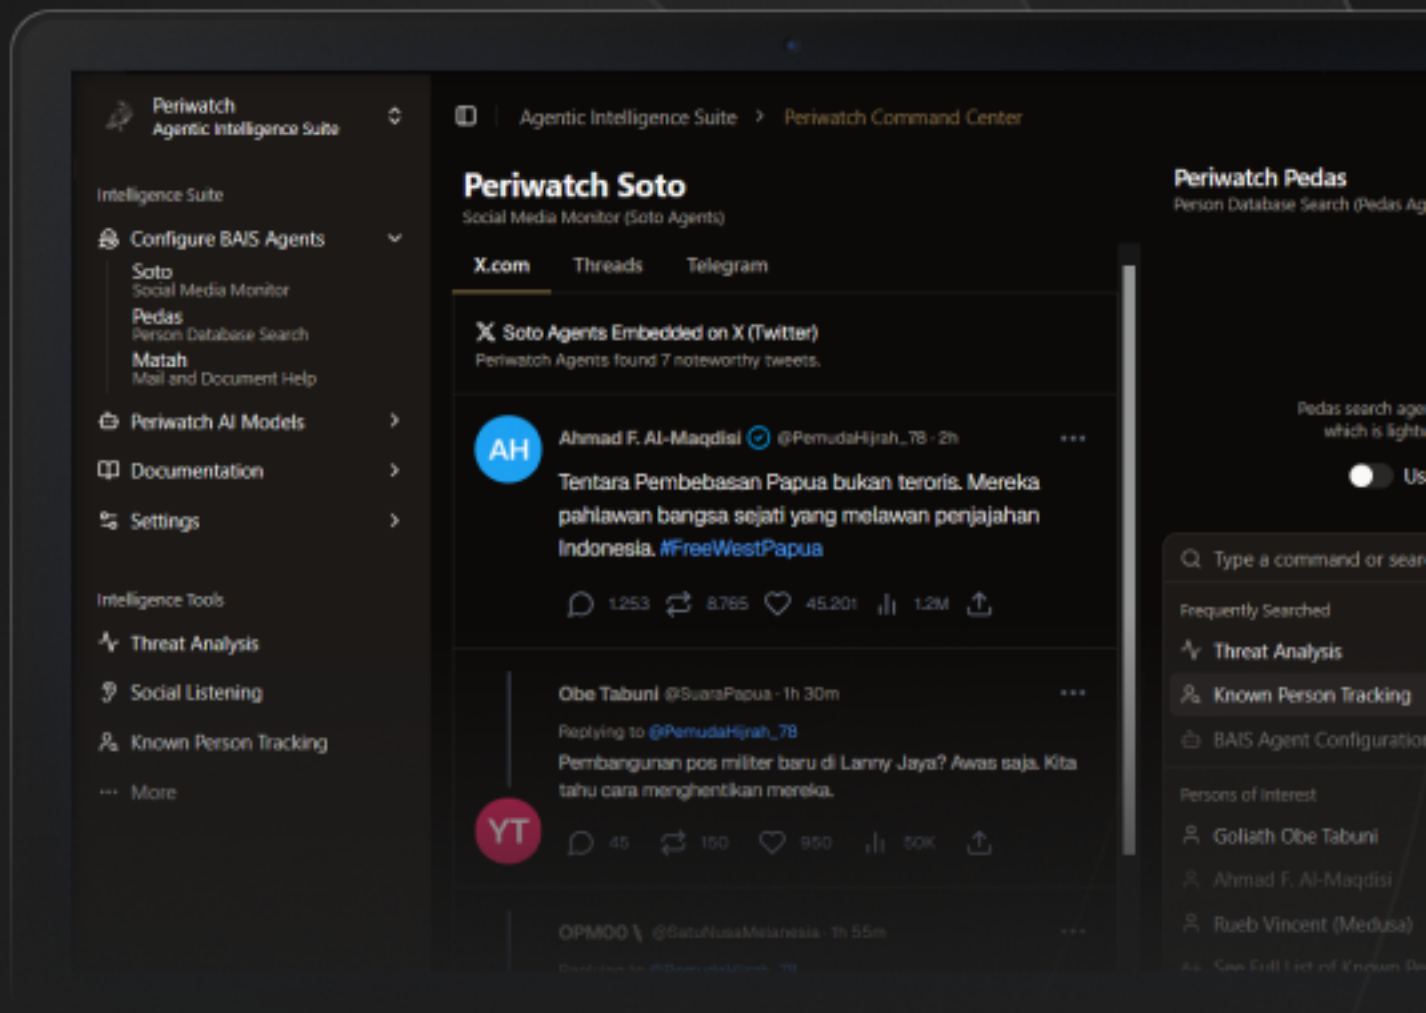

Content shared by this individual has been amplified by over 200 accounts, reaching an estimated audience of 50,000.

### Documentation

Has 4 documents related to this person. One new document details connections to international advocacy groups.

## Intelligence Notes

Rueb Vincent represents a non-combatant but highly effective node in the pro-independence movement. His value lies in his ability to shape international opinion and legitimize the actions of armed groups. His strategic impact is significant and warrants continued monitoring
